

# **FIGHT THE GOOD FIGHT OF THE FAITH.**

In The Depth of the War, Each Man is only strong as the man besides him. We are being informed from the Bible that there is a war going on even to the moment this article being written or being read. In the war there are not only important the resources but also the soldiers. Of course our source of Strength comes from the Lord, but also we need encouragement and help from our fellow soldiers. A good cooperation comes from a good loving and caring friendship and brotherhood that roots itself to Christ. No matter how much you give or offer that will be as good as how much you care. I promise you will have a greater joy when you receive something with a loving and caring attitude, then just receiving something and that's it.

## **Benevolence!**

Our service consists in many way, and one of them is benevolence, we have been involved on helping and caring for different families that are in need. We have been helping now for 1 year a family that had triplets (*girls*) and also they have a boy two years old. One of many difficulties that they have it's don't have a place to live. The mother has been living with the kids at her parents, the father is living with parents. He will do any job he can find and try to provide anything that kids need to survive. But the parents of the mother of the kids have their own problems they live in a house which is not theirs and they are being asked to leave the house. So the parents of the kids are thinking to build a small house at their land they own. The father has been asked everyone for help and has contacted me too. Any help will be very much appreciated. If any of you would like to contribute in any way please contact me.

## **Evangelizing the Lost**

This summer we started a WEI campaign, and we had 60 – 70 students signed up for classes. We had 9 teachers came from the States 7 teachers from Katy Texas and two others from Oregon to help with the program. It was a great experience got to know a lot of people. Almost 20 of them received Certificates. During the campaign we other activities, seeing movies, having meal together with students, trying to know the students and build relationship with them too. Because of that we have a lot of contacts and we have students that are continuing to study again. A thank you note goes for every teacher that helped with the program, and to every church that sponsored everything goes smoothly. Above Praise the Lord that made all things possible. WEI is great tool helping people know the Lord, we will try to use every resources that we have to bring people to know the Lord.

## **Baptism of Amarildo**

Amarildo is 25 years Old, we have been studying together for more than two years. And also he studied with WEI materials, after almost a month that campaign finished he decided to follow Jesus.

It was very encouraging to have brother Gaylon and his Wife Carolyn to visit us on September. Very refreshing and encouraging to share experiences and share concerns. One of the many blessings that God has given us is relationship with brothers and sisters. And of course it is a blessing to have someone to share your concerns and encouragements.

Thank you for your Prayers and Support!

In His Service
