

I will give you a new heart and put a new spirit in you; Ezekiel 36:26

Church of Christ Fier Albania 2013

Greetings in the Lord

So glad that we got back on the routine of life, I like holidays but I don't like all the noise all the hurry and big traffic everywhere. Here in Albania we celebrate the changing of the Year (New Year), and the 2-3 last days of December are very busy for everyone, all that preparation, and people will spend a lot of money on buying new stuff sometime new furniture for the house, So that the **New Year** will find clean and new.

But we all can change our clothes and furniture and make it new, all the changes are on the surface. The thing is that we need to change our hearts and receive the **Spirit of the Lord**. In order that we may have a blessed year we need to turn ourselves to the Lord totally, take everything away selfishness, pride, all those stuff will separate us from the Lord.

Bible Class

We are back also on our Bible study too, on studying the book **Revelation**. It can be called the *Book of Comfort*, for all of those that their lives are in Lord and doing His will. Also for it can be called "*The Book of Discomfort*" for those that have turned their back on the Lord.

Children's Class

Vosjana and I also doing children classes, sometimes we do it daily, weekly and sometimes monthly. It all depends when all the kids are free from school and their studies. Because some of them after school go to private courses and it take all the day.

Next Week hopefully will have 3-days in row with kids for they are free.

Worship Service

We Thank God that give us the opportunity to come together and Worship Him! We finished our Study of 1John. And now as *New Year is running* we are striving to renew our Spirit every day for the Lord.

In His Holy Service
