

FOR THE LORD IS GOOD AND HIS LOVE ENDURES FOREVER; HIS FAITHFULNESS CONTINUES THROUGH ALL GENERATIONS.(PS 100:5)

God is faithful all the time.

As we come daily on serving the Lord, we deal with difficulties, and we deal with open doors from God. There are so many things to be grateful to God. When we come and face difficulties we tell ourselves that there are not many people that have a heart for the Lord. But when we face an open door we tell ourselves see there are people, and we start to be thankful to God more than we used to. There is a saying "*When we are well, it is easy to give good advice to the sick.*" ~ Publius Terentius Afer". See we tend to judge or have our convictions based on our circumstances that surround us.

But God proves to be faithful all the time, and for this very reason God has showed us that He is in control. God open and closes doors.

Children Class

Vosjana and I are doing our best, to have also children class too, despite of the difficulties on finding the time on the part of the kids, since they have a very busy schedule almost the whole week. We usually have done children classes on Sunday morning. So far we have a group of 6-9 kids that show up also and the parents that are pleased to have the kids here, which is great thing to have the support of the parents.

Ministry on the Community

We have been involved on sharing some (*Ester Gifts*). We have been able to do it on four schools to the villages, (Zharrez, Pojan, Darzeze, and Cakran). So far we have had only contacts in Zharrez, but now we have on 3 other villages. We also as a Body here, we gather almost every month food supplies for poor families and we have enough supplies we deliver to this families that are indeed.

We also continue to have our bible Classes, on Wednesdays, and we are continue to study on the book of Revelation. It has been a great challenge to see what will happen to all of those that don't obey the Lord.

Also our Worship Services right now we are doing on afternoons at 4:00pm because a couple of the members has to work in the mornings. We have had also 4-5 visitors on Bible's classes and to the worship services. Some of them are coming regularly.

Prayer requests

Please for our open doors that God will use us totally for His service and glory.
