

LOOK AT THE BIRDS OF THE AIR; THEY DO NOT SOW OR REAP OR STORE AWAY IN BARN, AND YET YOUR HEAVENLY FATHER FEEDS THEM. ARE YOU NOT MUCH MORE VALUABLE THAN THEY? (MATT 6:25-27)

Don't worry.!?

Time that we live now is where worrying to provide and have the comfort that this world offers is a style. It is hard to find people that are worried for Spiritual realm now days, they are worried only for this life. And of course, it would be hypocrisy not accept the fact that we are infected by this burden too. But we are to be reminded that the luxury and the comfort that this world offers can not and should not be compared with the Luxury and comfort that our God has stored for us in Heaven.

Benevolence

As we come to this world filled with pain, we have met and continue to meet families that actually don't have food on their table by the end of the day. And of course, we may not feed them for long but we are trying. With hope and prayer by meeting their physical need we will awaken their hunger for spiritual food. During last 3 months we have met a lot of families that are in need. And to be honest sometimes it is hard to see light at the end of the tunnel, their desire for spiritual food.

During Christmas and New year celebration, we as body of Christ here in Fier by the brethren contribution helped 20 families with groceries. Very encouraged that almost everybody tried to be involved with this ministry. We invited all these families to meet at Church building. I shared a short lesson on the necessity of God in our lives. We had 16 Families that came almost 40 people came together. Again, this year we were able to give 150 shoe box gifts for the children. Together with the Culture Center in Patos, we were able to make it happen. The Children have put together a little show for that event.

Community Evangelization

Building redemptive relationships it is one of our objectives as we get to know people around the community that we live in. One of the things that we are working is to let know people that we are here. We try to reach on our community through our example on our daily lives. Meeting people's needs it is a way of catching their attention explaining why we do what we do, and why we treat them they way that we treat them. It is encouraging to receive feedback that our members are trying to reach out into the community.

Growing Spiritually and Fellowship with One Another!

Growing spiritually and striving to be better for the Lord should be the goal of every Christian. Because difficult schedule of members we have agreed to meet twice a month on Saturdays for Bible Classes and study for 3-4 hours and after the class share a meal together. It is has been a blessing to be part of the body of Christ here in Fier.
