

WE HAVE THIS HOPE AS AN ANCHOR FOR THE SOUL, (HEB 6:19 NIV)

We are thankful to the Lord for He is our Anchor for our souls in the times of hardship. In the times when people are not with us but against God is our hope that He is in control of everything.

We are doing well, thanks to the Lord that answers the prayers of His saints, in the same time we thank you for your prayers.

Staying focused on the Lord and using Him as the anchor of our souls, it is easy to confront daily difficulties as we try to build redemptive relationships with people here in Fier. Thanks to the Lord we are continuing the friendship with Klodi, and through him we have been able to know his friends which we are on the first steps of friendship.

Wednesday Bible Class

We are continuing to our Topic on “Faith Hope and Love”. Last time we studied on “**True Hope**”; that is putting on the Lord and to the people that belong to the Lord, for they are faithful and through the Lord will help the hope to come true!

Sunday Worship Service

We thank Lord that allowed us to come together on the first day of the week worshipping Him and having fellowship with one another. It was great a joy for us also for Redona that took the Lord Supper for her first time. This was also the message that Edi shared with us, the joy that believers receive from other believers when they obey the statutes of the Lord, from 1 Thessalonians 2:17-20.

Prayer Requests

Keep on your prayers Redona, to grow strong on the Lord.

Pray for Klodi that, his heart will be open more as we continue to introduce Christ to him

Pray for us as we continue our service to the Field of the Lord

In His Holy Name
