

## Jesus wept. John 11:35

Dear brothers and sisters,

Often we try to do everything we can to make our loved ones understand that we care for them! As we do this, we suspect love yet we receive pain, we suspect friendship yet we get enemies, we suspect peace yet we get confusion! We've tried and kept trying many times and in many ways yet most of us fail at this point! When we come to this point and there's nothing left, there's only one thing we can do; we try tears!

Praise is to the Lord our God who taught us that love never fails, blessed is He who taught us, how to shed tears for our enemies, how to cry over those who cause us pain, how to express love over those who are deceived by evil one!

As we are on God's mission and we see lost people which we love and care for them, we try everything and often tears so that they might be saved through Jesus Christ!

We never get tired for to mention our care and Love that we have for our beloved brothers and sisters in Fier! During our bible studies on **Wednesday**, we still are studying about "**Faith, Hope and Love!**" Altin challenged us about where do we put our Hope; the true Hope is only in God this is such a secure hope which never disappoints!

**On Sunday worship** we had a blessed time together, worshiping the Lord our God! Altin challenged us from the word of God from (Gen 3:6-7, Isa. 53:1-4 etc...)! "**False choice lead us to shame, the true choice leads to edification of the body the "Sacrificial Love"** We need to treat each other as God treats us! We are called to help, by rebuking, advising and encouraging one another so that we might not be blind but we can see!

After the worship we had another picnic with some of the members of the church! After many prayers and many studies from the word of God we are so blessed to inform you about our **NEWEST SISTER IN CHRIST REDONA VELMISHI!** Now she is baptized into Christ, and we are so glad about that! We thank God for all of your prayers about her, we are so glad that the prayers of the sons of God unchained one more spirit from evil's prison to God's Grace, Love and Power!

Brothers and sisters let all of us keep fighting all the devil's schemes, for we know that through Christ we are more than over comers, we know that there's nothing that can resist God's will, there's nothing that can snatch us out of His hands!

**Brothers,**

Keep praying for our new sister in Christ (Redona) so that she might be strengthened through God's word!

Keep praying for Klodi, so that he may come to Christ!

Keep praying for the members of the church who have loose heart and which aren't staying in faith now!

Keep praying for us so that the gospel of Jesus Christ might be proclaimed with power as it is!

To Him be the glory, honor and power,

Altin, Edi and the church
