

**LOVE DOES NOT DELIGHT IN EVIL BUT REJOICES WITH THE TRUTH.**

**(1COR 13:6 NIV)**

The real love for the people is confronting them with the truth, a lot of people do it differently loving people mean to treat others well in order to show their love to one another. But the real love according to the Bible point of view is telling the truth. Helping people to understand where they are, helping them to come to their senses (**Luke 15:17**)!

And going out meeting people and telling the truth helping them to understand, well there are some that do not like it, the same was with Jesus and His Apostles, the same is with us too. But Love is patient and we have to be patient with people and their reaction, nobody likes being rebuked. So it is not easy but it is meaningful and real, living the real life that God has called us to live.

On our **Bible Classes** we are to the end of the Topic about “**Christian Family**” And last Study was about **3 Things that Destroy the family (Proverbs 31:21-23)** also **3 Things that help the family to get stronger (1Cor 13:13)**. If the family it will be based on the standard of God will be stronger.

**Sunday Worship Service**, we gathered for the worshipping the Lord and singing hymns of praises to Him. It is wonderful to see day by day the Love of the Lord showed by example of Jesus Himself, also by brothers and Sisters. God also requires us too, to share that kind of love with all the people poor and rich. And this what Edi shared with us from (**Luke 16:19-31**). For it will be too late to remember to do the right thing after you are gone from this life!

**Prayer Request**

Keep praying for us, as go out daily on meeting people, when you meet a lot of people there are some that are not nice as some are. Pray that God will keep us safe.

We are planning to do some Bible Study with kids, we are still on first steps, but pray that God will open a door of opportunity for us to share the gospel.

Also for the contacts that we have, Klodi, Kujtim, Ervin, that God may use us, and may that we the light they really need.

In His Holy Service
