

# THE LORD IS MY GOD

Blessed be the Lord of lords King of kings now and forever. As we come on developing our relationship with God. That means our faith is growing, our behavior is changing, and we are being transformed daily like Christ.

I pray for each one of you is doing well on his/her spiritual journey with Christ. We as the body of Christ here in Fier are doing well, and we continue to grow and to be challenged by the word of God. We finished our study on **‘The Parables of Jesus Christ’** And we started a new study, and at this time we are going to study the book **“Revelation”** as every book in the *Bible* it's challenging. God calls our attention to be Alert and Ready, for above all God is in control.

## ***Children Class...***

Due to school and private classes that they take, we have been canceling the classes with kids, but that doesn't mean that we forgot them or they us, actually we have been visiting with them at their neighborhood and looking for finding a day to meet, that's a good thing they enjoy having classes but time it's an issue.

## ***Share Faith with Others...***

As I am building redemptive relationships for God, and if you will put yourself on that position (*which every Christian should have*), you know exactly what you are looking for. I have friend of mine here, which we spent a lot of time together, and also without realizing we have been ending to study the Bible. For The idea asking him to have a Bible study, scares him. Sometimes we would meet at the church building and he will find me there studying, as waits me to finish he will end reading the Bible and asks me questions....So this is what I am trying to do letting them to choose what to do, even though that's my intention.

## ***Worship Service.***

*We thank God that has blessed us with a day to come together and Worship Him, The body of Christ in Fier, it's continuing to grow and discipline ourselves on time issue and in showing respect to God's Word and to His Instructions.*

## **Prayer Requests**

Please keep in your prayers, my contacts (*The harvest that God has prepared*) so that they will be open and ready for Christ (*it might be time of harvest.*)

Pray for Christians to be faithful to Lord and Stand for Him. (*All over the World*)

Pray for My Family as we try to share our faith with Others.
